ARTWORK GUIDELINES: The concert programme is prepared using Microsoft Publisher. Printing is black ink on plain, non-glossy, white paper. Typically the document uses a non-serif font (Tahoma or similar, as in this text block). Artwork for each advertisement must be provided as a single GIF or JPG image file in the correct size as indicated above. Line drawings print better than photographs. If the image file is mainly text, best quality is achieved using a GIF (not a JPG) image file.

Please submit artwork by email to advertising@wokingham-choral-society.org.uk.
If you have any queries please call Anne Stratford on 01252 844803.
